## Continuation Sheet (PTO-303) 009/827,289

Application No.

Continuation of 2. NOTE: The new limitation "using no ligation step" in claim 1 would require further search and consideration. Also, since no basis was pointed out for this negative limitation, this new limitation may represent new matter. Therefore, the amendment will not be entered.

Continuation of 5, does NOT place the application in condition for allowance because: The arguments are addressed to the claims as amended. Since the amendment was not entered, the arguments are not persuasive.
